

INDEPENDENT STUDIES

- Those students wishing to enroll in the Independent Studies courses offered by the History department at the University of Toronto must be enrolled in either a **History Specialist or Major program, with a B+ average in no less than 4 HIS courses**, or obtain special permission of the instructor.
- Independent Studies courses are for students who wish to pursue a detailed research project under individual supervision. This requires the preparation of an extensive research paper.
- The History Department offers senior undergraduate students the possibility of independent study under these course designations: HIS 498H1-F or -S, HIS 499Y1-Y. Independent Studies courses are not offered as full courses in one term (i.e. HIS 499Y1-F or HIS 499Y1-S). Students are allowed only ONE independent studies credit in History (i.e. one full year course or equivalent).
- **Where research proposals can be undertaken within the scope of an existing HIS seminar, students will not normally be allowed to enroll in Independent Studies.**
